Milestone #7
NetBSD Wifi Browser Project 2022
Dylan Roy, Stephen Loudiana, Kevin McGrane

1 General Progress Report

Surf is finished, so work on an XLib GUI of the wifi browser has begun. At the very moment, the GUI has some buttons and is almost successfully listing available networks from a scan.
Accomplishments

- Started a GUI: Hangten

Targets Not Met:

-

2 Git Branch Report

3   Individual Progress

Kevin:

-

Dylan:

- More Surf error stuff

- Started XLib GUI

- Buttons!

- Almost listing scanned networks

Stephen:

-
